**CALLING FOR
TEAMS**

**House Officer | Medical Officer |
Year 1 to Year 3 Master Trainee**

Semi Final Quiz Round
(Knock-out Round)
24th May 2024

Final Quiz Round
(Top 3 Teams Only)
25th May 2024

1. Teams for the quiz must complete your registration fees for all 3 days before submitting your names for the quiz.
2. All 3 team members must come from the same institution (hospital) before the 20th April 2024. Teams can come from Ministry of Health hospitals or universities including private universities.
3. All Quiz Team registrations must be completed before the 20th April 2024.
4. An institution can have more than 1 team as long as the team complies with the terms above.
5. The quiz will be held in Sultan Ahmad Shah International Convention Center during the conference and all team members must be present in-person. Incomplete teams will be disqualified.
6. This quiz is not open to final year post graduate trainees, specialist and consultants from Malaysia.

Closing Date to Register
20th April 2024

53rd
MOA
MALAYSIAN ORTHOPAEDIC ASSOCIATION
ANNUAL SCIENTIFIC MEETING
& ANNUAL GENERAL MEETING **2024**

Welcome Remarks by MOA President

It is with great pleasure and anticipation that I extend a warm welcome to all participants of the 53rd Malaysian Orthopaedic Association Annual Scientific Meeting, scheduled to take place in the captivating city of Kuantan from 23rd to 25th May 2024.

This annual gathering is a hallmark event in our calendar, uniting orthopaedic surgeons and medical professionals from diverse subspecialties. As President of the Malaysian Orthopaedic Association, I eagerly look forward to seeing all orthopaedic surgeons and healthcare personnel come together to share their wealth of knowledge, experience, and insights. It is through such collaborative endeavours that we continue to push the boundaries of our field and provide the best possible care to our patients.

We firmly believe that the comprehensive program curated for this meeting will prove to be a valuable resource for all attendees. From enlightening lectures to hands-on workshops, lively discussions to networking opportunities, we are confident that this event will serve as a source of professional growth and enrichment for everyone involved.

Our association has always held the role of being the primary body for orthopaedic surgeons in Malaysia, regardless of their subspecialty affiliations. We take pride in fostering collaboration, facilitating knowledge exchange, and ensuring that the collective wisdom of our orthopaedic community benefits all.

I would like to take this opportunity to recognise the outstanding contributions of two exceptional individuals who have played pivotal roles in organising this esteemed event. Dr. Gandhi Nathan Solayar, our Organising Chairman and Assoc Prof Dr. Ahmad Fadzli Sulong, our Scientific Chairman. They have curated a program designed to ignite our passion for orthopaedic excellence. We are grateful for their dedication.

As you engage in the various activities and discussions throughout this Annual Scientific Meeting, I encourage you to seize the opportunity to learn, connect, and rejuvenate your commitment to orthopaedic care. The Malaysian Orthopaedic Association is here to support and guide you in your professional journey.

Once again, I extend my warmest welcome to all participants, and I am confident that this gathering will be a source of inspiration, learning, and camaraderie.

Thank you and I look forward to your presence at the meeting.

Sincerely,

Prof Dr Tengku Muzaffar Tengku Mohamed Shihabudin

President

Malaysian Orthopaedic Association 2023-2024

Dr Chye Ping Ching**

Welcome Remarks by Organising Chairman

Dear friends and colleagues,

On behalf of the organising committee, it is my pleasure and privilege to welcome you to the Malaysian Orthopaedic Association's 2024 Annual Scientific Meeting. The meeting this year will be held in the city of Kuantan, Pahang where delegates will be able to engage in an intellectual journey through the latest developments in the field of orthopaedics, all the while indulging in the scenic splendors of the east coast of our magnificent peninsular.

The MOA remains the largest representative body for orthopaedic surgeons in this country and this meeting will bring together participants, educators and industry alike with the theme **"Leading Malaysian Orthopaedics into the Future"**. It is an exceptional opportunity for our younger colleagues to absorb knowledge, engage in insightful symposia, and glean wisdom from the array of plenary lectures and vibrant activities scheduled throughout the event, all aimed at enhancing their abilities for the years that lie ahead. The meeting will have a focus on trauma as will be adjudged by the more discernible of us from the logo of this meeting.

The scientific committee has been untiring in planning an educational and enjoyable programme for delegates in the form of lectures, quizzes and presentations throughout our time in Kuantan. We will have the honour of hosting and learning from renowned speakers both locally and internationally to help each of us in our work as good orthopaedic surgeons. We look forward to having the latest in cutting edge orthopaedics being showcased by our industry partners for the benefit of all delegates in improving themselves for the future.

Furthermore, I would like to extend an invitation to bring your friends and family to savour the cultural and social aspects of our programme, as well as the natural beauty and culinary delights of Kuantan, which is known for its sumptuous east-coast cuisine and exquisite beaches. I for one will have my bicycle at hand and a fellowship ride awaits those who are cycling enthusiasts, providing a delightful culmination to our event.

Finally, let me conclude by warmly welcoming all of you to, what should be for all accounts, an enjoyable and educational time for us at the upcoming MOA ASM 2024. Please spread the word and we look forward to seeing you in Kuantan next May!

Award Guidelines

Mahmood Merican Best Masters Research Award

This is an annual award for the best original scientific or clinical paper submitted by postgraduate Orthopaedic trainees in Malaysia. This work represents the research that was conducted during training, which is one of the requirements for the conferment of their degree. This award was initiated in 1997 by Dato' Dr Mahmood Merican, whom the award is named after. He is a well-known Orthopaedic Surgeon and a philanthropist who has contributed tremendously to the Malaysian Orthopaedic community. The objective of the award is to encourage a high standard of research and scientific presentation among Orthopaedic trainees so they may become surgeons who can perform great surgery but are themselves thinkers who understand the importance of sound scientific work and its applicability in daily clinical practice.

This award has demonstrated good outcomes and each year the competition gets tougher. We wish all the applicants Good Luck!

The Prize

A cash prize of **RM3,000.00** donated by Dato' Dr Mahmood Merican.

Regulations

1. The competition is open to all registered trainees in the Malaysian Orthopaedic Post-graduate training programmes in Malaysian universities and trainees who have completed or will complete their training in 2024 are also eligible.
2. The work may take the form of clinical trials, surveys, retrospective studies, laboratory experiments or any other form of original work.
3. In general, the research work must be derived from a thesis / dissertation completed during the time of training. Published work by a trainee can also be accepted provided they can show evidence that the work was submitted as a requirement for the Masters of Orthopaedic Surgery (or similar programme).
4. Applicants should not have submitted similar work in any other competition, including for this award previously. The research work must not have been presented in whole or in part in any form in other conferences, seminars, or official presentations.
5. The abstract will be evaluated on the following criteria:-
 - » The relevance of the work to Orthopaedic research or practice.
 - » The scientific merit of the research.
 - » Sufficient introduction to justify clear research question.
 - » The appropriateness of the methodologies used.
 - » The interpretation of results and conclusions.
 - » Presentation skills.
 - » Ability to answer questions from the judges.
6. Upon the abstract submission deadline, all abstracts will be reviewed by the Scientific Committee and be scored by a group of selected International Orthopaedic surgeons to shortlist the top 5 finalists. All authors will be notified of the status of their paper.
7. All results are final; however, the scientific committee has the right to make the final decision in special circumstances.
8. The top 5 finalists will be provided with complimentary registration to the 53rd MOA ASM 2024.
9. The submitting authors of the top 5 finalist submissions must present an oral presentation of the paper during the MOA Annual Scientific Meeting. This consists of 8 minutes oral presentation, followed by 4 minutes of Q&A with the panel of judges.
10. All applicants may request for the detailed results of the submission after the competition is over, provided it is approved by the Scientific Committee.
11. Non-finalists may be offered a chance to present their work as a free paper oral presentation or poster presentation during the MOA Annual Scientific Meeting.
12. All finalists and non-finalists presenting in MOA Annual Scientific Meeting must register for the conference as a delegate.
13. All finalists will be invited to the MOA President's Dinner. The winner will be announced during the dinner and the winner must be present to accept the award.

Application

Abstract submission can be done online at our website. The deadline for submission of abstract is **2359hrs, 29th February 2024**.

Please refer and adhere strictly to the **ABSTRACT SUBMISSION GUIDELINES** on page 13 for the accepted format of submission. The same submission format applies for those submitting for this award. Abstracts that do not adhere to the guideline will not be entertained.

Award Guidelines

Best Basic Science Poster Award

This award is open to all scientists regardless of origin or levels, provided the research is related to the field of basic science in orthopaedics. This award was created more than 6 years ago to increase the participation of scientists in orthopaedic related research work in Malaysia. It is hoped that by doing so, MOA is encouraging more people to engage in serious research work, purely driven at understanding the very fundamentals of sciences that have enormous impact on orthopaedic practices. This award is generously donated in full by Dato' Dr K.S. Sivananthan, who is a veteran, a Past President of MOA and esteemed member of the MOA and patron of this award since its inception.

The Prize

A cash prize of **RM1,000.00** donated by Dato' Dr K.S. Sivananthan.

Regulations

1. This award is open to all scientists regardless of origin or levels provided the research is related to the field of orthopaedics (based on the interpretation of the scientific committee.)
2. **Abstract submitted for this award should be an unpublished original orthopaedic related research (lab study). Systemic reviews are not accepted.**
3. The bulk of the work submitted must be performed by the author even though the author may have done the work in conjunction with other doctors or agencies either locally or internationally. However, the work must be carried out in Malaysia.
4. The abstract will be evaluated on the following criteria:-
 - » The relevance of the work to orthopaedic research or practice.
 - » The scientific merit of the research.
 - » Sufficient introduction to justify clear research question.
 - » The appropriateness of the methodologies used.
 - » The interpretation of results and conclusions.
 - » Presentation skills.
 - » Ability to answer questions from the judges.

5. Upon the abstract submission deadline, all abstracts will be reviewed by the Scientific Committee and be scored by a selected group of judges to shortlist the top 5 finalists. All authors will be notified of the status of their paper.
6. All results are final; however the scientific committee has the right to make the final decision during special circumstances.
7. The author of a top 5 finalist abstract must prepare a poster presentation during the MOA Annual Scientific Meeting. Finalists will be provided with complimentary registrations to the 53rd MOA ASM 2024.
8. The poster presentation judging will be at the poster panels. The assigned time for each finalist will be informed closer to the conference date.
9. All finalists and non-finalists presenting in MOA Annual Scientific Meeting must register for the conference as a delegate.
10. All finalists will be invited to the MOA President's Dinner. The winner will be announced during the dinner and the winner must be present to accept the award.

Application

Abstract submission can be done online at our website. The deadline for submission of abstract is **2359hrs, 29th February 2024**. Please refer and adhere strictly to the **ABSTRACT SUBMISSION GUIDELINES** on page 13 for the accepted format of submission. The same submission format applies for those submitting for this award. Abstracts that do not adhere to the guideline will not be entertained.

Award Guidelines

Subir Sengupta Best Published Clinical Paper Award & P. Balasubramaniam Best Published Translational Medicine (Non-Clinical) Paper Award

The Malaysian Orthopaedic Association (MOA) has 2 awards to recognise the best published journal papers in the preceding year by members of our associations. The aim of these awards is to promote research and publication culture among MOA members and to recognise their contributions in the field of orthopaedics. The following 2 annual awards are opened to Malaysian orthopaedic surgeons who continue to do research and publish their work in orthopaedic journals.

SUBIR SENGUPTA BEST PUBLISHED CLINICAL PAPER AWARD

This award is to recognise the best published clinical paper for journal papers published in the period from 1st January 2023 to 31st December 2023 in either hardcopy or online journal.

P.BALASUBRAMANIAM BEST PUBLISHED TRANSLATIONAL MEDICINE (NON-CLINICAL) PAPER AWARD

This award is to recognise the best published translational medicine paper for journal papers published in the period from 1st January 2023 to 31st December 2023 in either hardcopy or online journal.

The Prize

A cash prize of **RM2,000.00** for Subir Sengupta Best Published Clinical Paper Award.

A cash prize of **RM2,000.00** for P.Balasubramaniam Best Published Translational Medicine (Non-Clinical) Paper Award.

The cash prizes are donated by Yayasan Ortopedik, Department of Orthopaedic Surgery, Faculty of Medicine, Universiti Malaya.

Criteria

1. Originality and level of scientific evidence of the study.
2. Potential impact towards medical science and medical practice especially in the field of orthopaedics and trauma.

Eligibility

1. The submitter must be the presenter of the award.
2. The submitter must be a Malaysian Orthopaedic Surgeon, and one of the authors and key researcher of the paper.
3. Journal papers published in the period from 1st January 2023 to 31st December 2023 in either hardcopy or online journal will be eligible.
4. Journal paper submitted "in press" will not be eligible.
5. Journals papers that were considered before for past Subir Sengupta Best Published Clinical paper Award and P. Balasubramaniam Best Published Translational Medicine (Non Clinical) Paper Award are not eligible for resubmission.
6. Authors of award winners will be required to present their paper during the MOA Annual Scientific Meeting to be eligible for the cash prizes. Award winners will be notified beforehand. Winners will be provided with complimentary registrations to the 53rd MOA ASM 2024.
7. The award winners will be required to present their papers in a 15 minutes oral presentation during the MOA Annual Scientific Meeting.

Application

1. PDF copy of the paper must be submitted online before **2359hrs, 29th February 2024**.
2. A selection committee will be formed by the Malaysian Orthopaedic Association to evaluate all submissions and winner for each award will be announced before the conference.

Award Guidelines

Mahmood Merican Best Masters Research Award				
Open to Malaysian Orthopaedic Final Year Trainees. Trainees who have completed or will complete their training in 2024 are also eligible.	Open to all orthopaedic related subspecialty topics.	Oral 8 minutes oral presentation followed by 4 minutes Q&A by the judges.	A grand prize of cash RM3,000.00 Top 5 finalists will receive Complimentary Registration to the 53rd MOA ASM 2024.	Top 5 finalists will present in the judging session during 53rd MOA ASM 2024. The award will be given out at the MOA President's Dinner.

Best Basic Science Poster Award				
Open to all orthopaedic related basic science research area.	Open to all researchers.	Poster Judging will be at the poster panels. Judges will ask questions at the poster panel area.	A grand prize of cash RM1,000.00 Top 5 finalists will receive Complimentary Registration to the 53rd MOA ASM 2024.	Top 5 finalists will present in the judging session during the 53rd MOA ASM 2024. The award will be given out at the MOA President's Dinner.

P.Balasubramaniam Best Published Translational Medicine (Non Clinical) Paper Award				
Open to all Malaysian Orthopaedic Surgeons.	Open to all orthopaedic related subspecialty topics.	Oral 15 minutes presentation.	A cash prize of RM2,000.00 Complimentary Registration to the 53rd MOA ASM 2024.	The winner will be decided pre-conference and announced before the meeting. The winner must be present during the 53rd MOA ASM 2024. The award will be given out during the MOA President's Dinner.

Subir Sengupta Best Published Clinical Paper Award				
Open to all Malaysian Orthopaedic Surgeons.	Open to all orthopaedic related subspecialty topics.	Oral 15 minutes presentation.	A cash prize of RM2,000.00 Complimentary Registration to the 53rd MOA ASM 2024.	The winner will be decided pre-conference and announced before the meeting. The winner must be present during the 53rd MOA ASM 2024. The award will be given out during the MOA President's Dinner.

Abstract Submission Guidelines

Abstract Template

1. Please use the abstract template for spacing and organisation of subsections. (Abstract that does not adhere to the abstract template will not be accepted for review).
2. Abstract template can be downloaded from the website.

Abstract Content

Depending on whether your abstract is a Research based abstract or a Case Report, the body follows the following format.

Research Format	Case Report Format
Purpose	Introduction
Materials and Methods	N/A
Results and Discussions	Report
Conclusion	Conclusion
References	References

Abstract Guideline

1. Must not exceed 350 words including title and references.
2. Restricted to only ONE page.
3. Font size: 12.
4. Font Type: Times New Roman.
5. Spacing and Alignment: Single spacing and justified fields.
6. Figure / Table: Up to 3 figures including graphs and tables, etc. are allowed in each abstract. (The font size within the figures must be clearly visible and must not be less than size 10).
7. Format Layout: 2-column page.
8. Margin: 0.75" (1.9cm) margin.
9. If the abstract contains identifiers e.g. name of hospital in the text body, the authors need to underline them in order for the secretariat to omit them when it is send for evaluation.
10. File submitted must be in word document not more than 2.5MB.

Frequently Asked Questions

Must The Submitter and the Presenter be the same person?

Yes, the submitter and presenter must be the same.

Can I submit more than 1 abstract?

Yes, you may submit more than 1 abstract. The account login you create will allow you to submit multiple abstracts.

Which email should I use to create the account?

When you create your account, the email you use should be the same email for all correspondence and e-certificates to be delivered to. For Malaysians, please use the same email address which you use for your CPD points.

What happens if I want to amend my abstracts after I have submitted?

You may amend your abstracts until the 29th February 2024, after which you will not be able to amend your abstract anymore. The responsibility is on the abstract submitter to ensure that the contents uploaded into the abstract is correct and have been proofread for errors.

What Happens After Abstract Submission Deadline Closes?

1. All abstracts will be reviewed by the 53rd MOA ASM 2024 Scientific Committee.
2. The Committee reserves the right to select the abstracts relevant to the sessions and decide on the final form of presentation.
3. The results will be announced after the 1st April 2024.
4. All successful abstract submitters and award finalists must complete the registration process on their online account before the 20th April 2024 to qualify and present during the meeting.

Terms and Conditions

1. The research work submitted must be conducted substantially by the applicant.
2. The work must be original and must not have been presented in conferences or published previously with the exception of Subir Sengupta Best Published Clinical Paper Award and P. Balasubramaniam Best Published Translational Medicine (Non Clinical) Paper Award.
3. If you wish to be considered for any of the Awards, please refer to the rules and regulations for the specific award.
4. Do note that successfully accepted abstracts will be published in the supplementary issues of Malaysian Orthopaedic Journal (ISSN 1985-2533) unless informed by the applicant that he/she does not want the abstract to be published there.
5. All materials accepted for publication in MOJ will become the permanent property of the Journal. The journal allows readers to read, download, copy, print, search and distribute the published articles, provided the authors are properly acknowledged and cited.
6. For those who agree to their abstracts being published in the supplementary issue of MOJ, the successful applicants may be required to resubmit the abstract and high-resolution figures for publication at a later time.
7. Applicants may choose not to have that abstract published in the supplementary issue of MOJ.
8. During online submission of abstracts, you will be given the opportunity to indicate if you wish for this submission to be published or not published in the supplementary issue of MOJ.
9. Abstracts which have excerpted content from previous published articles or published abstracts must be declared upon submission and cannot be published in MOJ. This is to ensure that there will not be any copyright infringement issues or accusations of plagiarism. Please note that in the event of any issues arising from these abstracts including legal issues, the applicant is solely responsible.
10. All successful abstracts which are accepted for oral and e-poster presentation agrees that their oral and e-poster will be presented during the meeting. The oral and e-poster will become the permanent property of MOA and may be read, download, copy, print, search and distributed; provided the authors are properly acknowledged and cited.
11. Final poster presentations may have more tables and charts than the successful abstracts.

Please refer to conference website for the latest information. Conference website content will supersede this announcement as the planning of the meeting progresses.
